Sir:

LETTER

In a letter from applicant, applicant's representative was advised that applicant independently contacted the Publication Branch and was told thereby that a completed Credit Card Payment Form to pay the Issue and Publication fees be submitted directly to the following address, which applicant independently did:

Customer Service Window  
U.S. Patent & Trademark Office  
41 Delaney Street - Randolph Building  
Alexandria, VA 22314

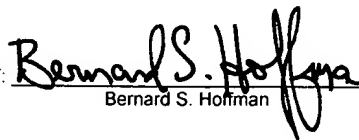

Applicant's independent submission included only the completed Credit Card Payment Form to pay the Issue and Publication fees and did not include the completed PART B - FEE(S) TRANSMITTAL.

CERTIFICATE OF MAILING UNDER 37 CFR §1.8

I hereby certify that on the below indicated date this correspondence is being deposited with the United States Postal Service® as First Class/Priority Mail with Delivery Confirmation™ Number 0304 3490 0000 9064 7126 in an envelope with sufficient postage addressed to: Mail Stop ISSUE FEE; Commissioner for Patents; P. O. Box 1450; Alexandria, VA 22313-1450

Date: April 18, 2005

BY:   
Bernard S. Hoffman

Accordingly, applicant's representative respectfully submits herewith the completed PART B - FEE(S) TRANSMITTAL and a copy of the Credit Card Payment Form to pay the Issue and Publication fees previously submitted independently and directly by applicant. The copy of the Credit Card Payment Form to pay the Issue and Publication fees submitted herewith is for information purposes only, and as per applicant's letter discussed *supra*, is not to be used for duplicate payment.

Further accordingly, applicant's representative respectfully requests that the completed PART B - FEE(S) TRANSMITTAL being submitted herewith be processed as normal and that the copy of the Credit Card Payment Form to pay the Issue and Publication fees previously submitted independently and directly by applicant, and also being submitted herewith, be utilized to verify that payment for the Issue and Publication fees have already been made.

Respectfully,

Dated: April 18, 2005
